On June 28, 2022, the Court entered an order [Dkt. 528] granting FSLC’s tenth interim application for fees and expenses filed on June 6, 2022 [Dkt. 517], for the period March 1, 2022, through May 31, 2022, allowing \$ 51,376.500 in fees and \$3,486.89 in expenses, which were paid by the Trustee (together with all of the aforementioned previous FSLC interim applications herein, the “Previous Compensation”).

16. During the Application Period, as more specifically described below, FSLC was actively engaged in each aspect of this bankruptcy case on behalf of the Trustee and the Estate, which included (i) reviewing and investigating claims filed against the estate and resolving objections to the same, a process which is now substantially complete (ii) follow up work related to protecting the Estate’s rights to, and maximizing the value of, certain license rights to the trademarks “EBONY” and “EBONE” in connection with the bankruptcy case of Ebony Media Operations, LLC (“EMO”) pending in Houston, Texas (the “Ebony Trademark Assets” and such related bankruptcy case the “EMO Bankruptcy Case”), (iii) reviewing the extensive records located at various storage facilities in order to determine whether any of them need to be

forwarded to the purchasers of the Debtor's archive approved and closed earlier in the case as "Purchased Assets" (the "Archive Buyers"), or abandoned to the ownership of the Debtor and its principal Linda Johnson-Rice, in connection with a proposed assignment agreement among the Trustee, Ms. Rice and the Archive Buyers (the "Record Review"), and (iv) objecting to and/or resolving certain tax claims filed against the estate. FSLC's work in advancing the claims resolution process, completing the Record Review and resolving potential tax issues affecting the estate has enabled the Trustee to draw closer to achieving her goal of preparing the case for a possible closure in 2022.

17. Pursuant to FRBP 2016, FSLC hereby reiterates¹ that (i) none of the Previous Compensation has been shared by FSLC with any person or entity, and (ii) no agreement exists between FSLC and any other person or entity to share any of the Requested Compensation (or any future compensation of FSLC herein) with any person or entity, in each case excluding FSLC personnel (including attorneys, paralegals and employees).

REQUESTED RELIEF

18. FSLC files this Application to be allowed an interim administrative claim for its unpaid fees and expenses for work performed on behalf of the Trustee during the Application Period, and to authorize the Trustee to pay FSLC the Requested Compensation.

19. Attached as Exhibit A to this Application is a schedule of the name and position of each attorney and paralegal who has performed work for the Trustee for which reimbursement is sought, the number of hours billed by each professional and his/her hourly billing rate, as well as the year each attorney graduated from law school and was admitted to practice in Illinois.

¹ FSLC made a similar non-sharing representation in paragraph 13 of the Declaration of N. Neville Reid in support of FSLC's application to be retained as general counsel to the Trustee [Dkt. 15-1].

20. Attached as Group Exhibit B to this Application are the detailed chronological FSLC time entries by task, describing the actual, necessary services rendered and time expended for work performed on behalf of the Trustee during the Application Period, consisting of the following categories: (B-1) Johnson Publishing Co., (B-2) General Case Administration, (B-3) Fee Applications, (B-4) Other Litigation- Litigation Trials and Appeals, (B-5) Claims Analysis and (B-6) Asset Investigation – Archive Collection. APPROPRIATENESS OF FEES

23. The total amount of allowed fees sought by FSLC for professional services in this Application is \$ 51, 592.50.

24. The professional services provided by FSLC to the Trustee during the Application Period were necessary and appropriate to assist the Trustee with the administration of the Debtor's case, were in the best interests of the Estate and helped to achieve (among other things) greater progress towards a possible interim distribution and closure of the case, including through (i) claims analysis, resolution and settlement of disputed claims, and the disposition of the Ebony Trademark Assets, and (ii) confirming, through the Records Review, that no additional documents or records needed to be retained by the Estate before the Estate is closed. Compensation for the services provided by FSLC is commensurate with the complexity, importance, and nature of the problems, issues and tasks involved. FSLC undertook all reasonable efforts to ensure that the services it provided were performed in an efficient manner, without duplication of effort.

25. FSLC's fees are recorded in a computerized time record system, from which the billing records attached to this Application were generated. FSLC has reviewed the billing records to ensure their accuracy.

26. FSLC's billing rates for the matters set forth in this Application are consistent with reasonable and customary rates among attorneys and paralegals for the work performed.

27. FSLC's requested fees are awardable pursuant to Section 330 of the Bankruptcy Code as reasonable and necessary expenses incurred for the administration of the Estate.

FSLC EXPENSE POLICIES: NOTICE

28. FSLC charges clients for actual out-of-pocket expenses it incurs on their behalf such as travel, postage, outside copying costs, outside vendor costs, and court fees. FSLC

typically does not charge for internal photocopying costs or phone charges, and no such expenses are sought in this application.

29. The expenses sought by FSLC in this Application relate to the cost of (i) multiple website research, including using Westlaw [\$750.17], (ii) Innovative Service Technology Management Services, Inc. for ongoing data storage [\$42.50], (iii) Fed Ex. [\$141.11], for mailing services, (iv) R4 Services LLC, for storage/box retrieval [\$1,581.52] and (v) online filing to the Illinois Secretary of State relating to the annual report [\$76.69]. These charges were necessary and benefited the Estate (see expenses listed in Exhibit B-1, B-2 and B-5 in Group Exhibit B).

30. FSLC's requested expenses are awardable pursuant to Section 330 of the Bankruptcy Code as actual, necessary expenses incurred for the administration of the Debtor's Estate.

31. Notice of this Application has been given to all creditors who filed a proof of claim in the case. Rule 2002(h) permits the limitation of the "all creditor" service list to those creditors who filed proofs of claim in this case. Since non-filing creditors are not entitled to any distribution in this case, FSLC submits that no further notice hereof to other creditors should be necessary.

WHEREFORE, FSLC requests entry of an order (i) allowing an administrative claim for the Requested Compensation; (ii) authorizing the Trustee to (a) immediately pay FSLC allowed fees in the amount of \$51,592.50 at this time, and (b) reimburse FSLC for unpaid expenses in the amount of \$2,591.99 incurred during the Application Period; and (iii) providing such other and further relief as is proper and just.
